

# JELCO RotoLift™ Lite Flat Screen Mobile Lift Case

## All-in-one Mobile Presentation Solution

JELCO's RotoLift Lite Case allows a flat screen display to be setup by one person and ready for use in less than 5 minutes without electric power.

Ideal uses include rapid setup in hotels, events, tradeshow, training facilities, sports arenas, military installations, campuses and more.

The display stores vertically which creates a smaller case footprint. JELCO's proprietary rotating mounting bracket allows for the display to be used horizontally or vertically as content needs require.

Easily store, transport, and use a 46"-49" flat screen in the RotoLift Lite case.

Time is valuable. Spend it on communicating your message, not on display setup.

**Making Your Gear as Mobile as You Are.**

# JELCO RotoLift™ Lite

Flat Screen Mobile Lift Case

## Optimized for the most versatile user and viewing experience

- Pull the release handle and the 2 stage EZ-LIFT® lift system gently raises the display out of the protective case. Keep it in portrait mode or rotate to landscape, then adjust height as needed. When you're finished, simply rotate the display back to vertical and push it down gently to lock it in the storage position. No electrical power is needed for EZ-LIFT.
- Permanently mount and wire your display for easy set-up in minutes
- Optimized for 46"-49" displays that are 50 lbs or less
- Full range of viewing heights from 61" to 73" to the top of the display

## Features

- Proprietary universal rotating mounting bracket for flat-screen display
- Display stores vertically in the case
- Shock-mounted EZ-LIFT mechanism
- Integrated cable management system
- Very stable, yet portable with four 3" dual casters
- Side glides to easily slide case when tipped on edge during transport
- Rear access port for electric cables
- Interior mounted (multi-outlet) power strip with 15' cable
- Accessory bag for remotes, cords and cables
- Plastic cavity covers conceal the inside of the case

## Warranty – Quality American construction

- Five year warranty on lift mechanism
- One year warranty on other components
