

Portable Video Conferencing

Use your video conferencing gear in any room or location as needed. RotoLift can easily be rolled down the hall and setup in minutes to start or join a meeting.

RotoLift Flat Screen Lift Case

Pull the release handle and the EZ-LIFT® lift system gently lifts the display out of the protective case. Rotate to landscape, then adjust height as needed. No electrical power is needed for EZ-LIFT.

Features

- Proprietary rotating mounting bracket for display
- Full range of locking viewing heights from approximately 49" to 67" at the center of the display
- Mounted multi-outlet power strip with 15 ft cord
- Plastic cavity covers conceal the inside of the case when in use
- Interior storage compartment for Logitech Meetup camera when not in use
- Mounting bracket for Intel NUC

Making Your Gear as Mobile as You Are.
